

## PROBE DEATH OF GIRL HIT BY AUTO

An inquest over the body of Miss Katherine D. Lord, who was knocked down and fatally injured by an automobile as she alighted from a street car at Sibley Hospital Tuesday night, will be held today in the District morgue.

Samuel Magruder, colored, twenty-five years old, driver of the automobile, gave himself up to the police of the Second precinct yesterday. Magruder told the police that the brakes of the machine had refused to work and he was unable to bring the machine to a stop in time to prevent striking Miss Lord. He was released on \$5,000 bond for his appearance at the inquest.

Aaron Boston, owner of the automobile, of 41 Pierce street northwest, and Florence Brooks, of 65 Pierce street northwest, who are said to have been occupants of the machine, were released on \$1,000 bond. Ralph Boston, brother of the owner, was the fourth occupant of the car, the police say. The latter, when searched at the Second precinct, was found to be carrying a .38-caliber revolver. A charge of carrying concealed weapons was lodged against him.

A funeral procession on its way to Glenwood Cemetery was halted for a short time yesterday when the motor hearse bearing the body of W. W. Brewer, eighty-five years old, of 1505 Thirty-third street northwest, was struck at the corner of Seventh and Rhode Island avenue northwest, by a delivery wagon, said to have been driven by Homer Johnson, colored, of Berwyn, Md. The fender of the hearse was bent and a lamp broken, but the cortege proceeded with little delay. The accident is the second within two weeks where a funeral procession has been halted because of a collision.

Walter Ross, colored, fifteen years old, of 445 Ridge street northwest, was struck by an unidentified automobile at Seventh and M streets northwest last night. Ross was removed to the Emergency Hospital suffering from injuries to the body.
